Top Tips

Pegasus XRL sorting and top returns

When creating a report and it returns a vast number of

PegasusHR: Statements of Fitness for Work

Next month sees the end of the GPs' sick note with which we are so familiar. This is to be replaced by a new 'Statement of Fitness for Work', now commonly and informally referred to as a 'fit note' .

To read the full article, you need to login to access [PegasusHR](#). It's free to Pegasus customers with a current AMC. All you need is your licence number and postcode to register.

Pegasus CIS (3.00) coming soon

The next major release of [Pegasus CIS \(3.00\)](#) is coming soon. There are hundreds of enhancements, including improvements to Sales, Purchasing, Stock Control, Labour, Bill of Requirements, Job Costing and Subcontractors.

These updates not only ensure that construction companies are fully compliant with the taxman, but also deliver significant, tangible efficiencies to contract management.

Online Filing Guide 2010 available

Do you have some questions or concerns about filing your End Of Year returns or PAYE in-year forms online? For help, download the free Pegasus Online Filing Guide, updated for 2010.

The Guide is an easy-to-follow reference containing facts, figures and other useful information relating to online filing.

[Download the Guide](#)

records, you have the ability to sort the report by most of the available fields and then select to return the top number of records.

For example, find out who your top customers are, or your slowest or fastest moving stock items.

Important changes to Employee Tax Returns

2009 Tax Forms are no longer valid

Almost all employers are required to file Employee Annual Tax Returns (P35 and P14s) online.

Delivering this information to your employees on a P60 can be simple. They come in a range of formats to fit with your printer including the self seal P60 ready for posting with a copy for your files.
